NORTH KOREA

How do you begin to pray for one of the most repressive, infamously brutal and closed off
regimes in the world?

Sometimes it can seem that praying for North Korea is impossible, given the shocking and
widespread human rights violations the government commits against the population.

But we believe in a God who can move mountains, part oceans and, even more incredibly,
move human hearts. Let's continue to pray for the people of North Korea this week.
