- 1 Start reading the Bible today - don't put it off, there's no time like the present and God wants to talk to you.
- 2 Each day we will read a few chapters. Mornings are great but feel free to use any time that works for you.
- 3 Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding. Let God refresh you and challenge you with His word. Let Him reign in your life.

All scripture is inspired by God and is useful for teaching, for reproof, for correction, and for training in righteousness, so that everyone who belongs to God may be profitable, equipped for every good work
