Light Party

Before she was taken ill Mary Ann had got a group together to organise and run a light party on Wednesday 31st October.

We would like to still have a light party as an alternative to Trick and treat, but need some more volunteers to help with the organisation but more importantly on the day.

If you are able to help or want more information please can you let me know. Thank you, Nicola Farrier

From Graham, Claire & family

Graham, Claire and the family want to thank the whole Fellowship for all the prayers and messages received during Graham's time of illness. Thank you to all those who have supported Claire during this time.

As many of you know, Graham is currently in remission and planning to go into Leicester Royal Infirmary on September 17 for a stem cell transplant.

Your continued prayers for a successful transplant and speedy recovery will be appreciated.

We know how good and gracious God has been to us so far and we trust in His unfailing love for the future.

Through all of this, God has been our rock and our salvation, our fortress and we are truly grateful to each one of you and, of course, to our wonderful Saviour.

ST BOTOLPH'S E-MAIL PRAYER NETWORK

Newer members of St Botolph's fellowship might not realise that we have a long-established e-mail prayer network amongst ourselves.

If anyone has an urgent need that they would like as many people in the fellowship as possible to pray about, they simply have to send the prayer request to Jane at d.wade73@btinternet.com and it will soon be shared with all the other members of the fellowship who have an e-mail address and wish to participate in the network. So, within a short space of time, lots of trusted people will be praying through that need. Many have found this a real blessing at a time of need.

If you are not on the prayer network, and would like to be, simply send a short message to d.wade73@btinternet.com, and your name and e-mail address will be added to the list. You will then start to receive prayer requests, as and when those requests are made, and in your private prayers you can include the prayer needs that you have been sent.

Dear St Botolphs

Thank you so very much for your generous contributions to my NCS group. We have spent the summer raising awareness of Period Poverty and have had a successful outcome with homeless shelters and specific charities benefiting from our efforts. You kindly donated an incredible £193 and a bag of supplies which with our "gofundme" page means we have been able to make a real difference to women and girls in need.

Thank you and every blessing
