

New Church Sound System

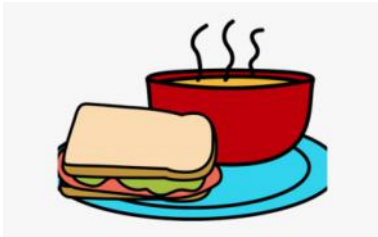

We are very excited that the sound system in church is about to be upgraded. The present system has served well for 25 years or so, but is now showing its age. We recently installed a new mixing desk and we are now to install new amplification and speakers. The result should be immediately noticeable not least because the large, white, unsightly speakers will be removed.

In order to facilitate this work it is now expected to begin Monday 1st August, this delay has been due to engineer illness .

Please Note

Our Thursday MidWeek Ministry service on the 4th August will be held in Church House as well as our normal Coffee Shop, so please join us at our short service and then have a coffee and a chat.

Collect - The Seventh Sunday after Trinity

Lord of all power and might, the author and giver of all good things: graft in our hearts the love of your name, increase in us true religion, nourish us with all goodness, and of your great mercy keep us in the same; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Promise Land

The school summer holidays lie before us; six whole weeks! Promise Land sessions during the 10am service will restart on Sunday 4th September but in the meantime please do bring your families to church – we'll still be here and we'd love to see you! A great way to encourage your children (and yourselves) to stay connected with God over the holidays is to watch great videos and listen to helpful podcasts. There are various good websites around but one of our favourites is Faith in Kids; we use a lot of their material in Promise Land. There are podcasts for children and for grown ups and if you check out their resources you'll find short bible-based videos too. Have a look: <https://www.faithinkids.org/> Have a great summer!
