Dragan is pastor of the Evangelical church of Kosevsko brdo, based in Sarajevo, Bosnia. St Botolph's church have had close links with the church in Bosnia for over 20 years including many trips from St. Bots to Sarajevo, most recently in 2025.

Dragan is married to Sandra and is father to two boys Marco (who is married) and Stefan (who is now with the Lord since 2021). He has led a number of humanitarian projects in Bosnia and the church, currently working with the impoverished Roma community, with a real desire to bring them to Christ. Dragan is co-founder of the Protestant Evangelical Alliance of Bosnia and recently translated David Pawson's 'Unlocking the Bible' into Bosnian (an extensive work).

### Our SharePlan

The aim of SharePlan is to send a special personal gift to our link mission partners each year, for them to use entirely as they wish.

This is a gift to the individual or family (not their organisation) and can help with family needs, a child's education, a small project, or simply be a huge encouragement.

In recent years we have raised about £1,500 each year – a wonderful expression of love from our church family.

### How does the SharePlan work?

Each share = £1 per month (£12 for the year). You can send as many shares as you like!

#### Examples:

- £1 per month = 1 share = £12 per year
- £5 per month = 5 shares = £60 per year
- £20 per month = 20 shares = £240 per year

#### You can pay:

- Monthly by standing order
- Or one lump sum (cash, cheque, or bank transfer)
- Anonymously if you prefer

Your commitment runs for one year only (January–December 2026). You can renew next year if you wish.
